

HOW TO PLAY ZODIAC

Gemini lets you choose the colour card the players have to put down for the next round.

Capricorn makes the player on the left pick up two cards. However, if that player places a two down then the effect goes to the next

Pisces, Cancer, Aries, Sagittarius, Libra and Taurus has no special effects/rules

Virgo card means the next player misses a turn.

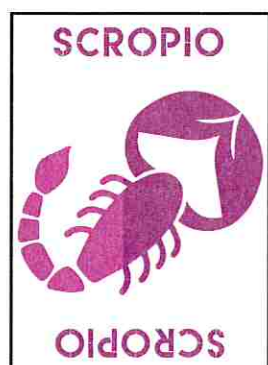

Leo switches the direction of game.

When a black Scorpio is played the next player has to pick up 10 cards, if 2 are placed then increases to 20.

When an Aquarius is played another card with the same suit must be played. If you can't, pick up another card from the main deck.

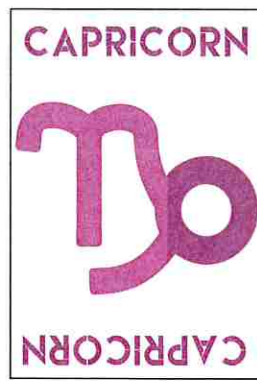

The pink scorio cancels a black jack that has been previously laid.
